### Complaint Form For Reporting Sexual Harassment

New York State Labor Law requires all employers to adopt a sexual harassment prevention policy that includes a complaint form for targets to report alleged incidents of sexual harassment. This form is intended to be used by both students and employees.

If you believe you have been subjected to sexual harassment, you are encouraged to complete this form to the best of your ability and submit it to *[insert title, person or office designated contact information for designee or office; how the form can be submitted]*. You will not be retaliated against for filing a complaint.

If you are more comfortable reporting verbally or in another way, the district should complete this form, provide you with a copy and follow its sexual harassment prevention policy by investigating the claim as outlined at the end of this form.
