

THE BAY SHORE SCHOOL DISTRICT IS AT THE NEW YORK STATE TAX CAP FOR THE 7TH STRAIGHT YEAR

Dear Friends,

What strange times we find ourselves in. I would like to commend our teachers, staff and administrators. With almost no notice, we quickly shifted our undertaken campaigns to provide food, supplies, sneakers and messages of gratitude to our healthcare workers.

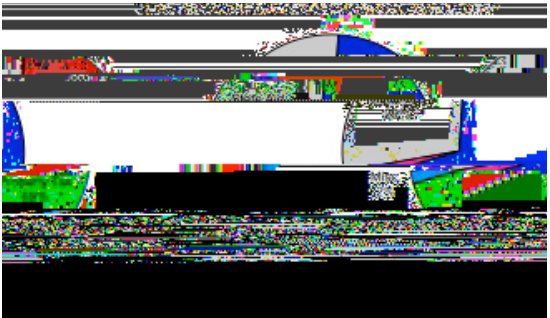

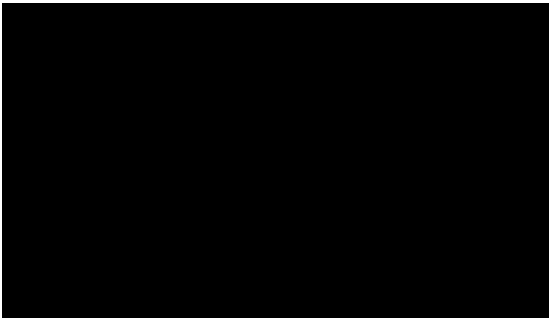

what Bay Shore always does - come together so that we emerge from this situation stronger.

The Bay Shore community has always supported our schools and our students. We need this support again so that when this is over and our students return to our classrooms we can continue to provide the programs that make Bay Shore great. We want our students back on our stages, back on our athletic fields and building robots. We cannot do that without you.

This year, the estimated tax levy increase is 3.7%, which is at the tax cap for Bay Shore. The average homeowner should expect an increase to their school taxes of less than \$25 a month.

Sincerely,
Susan Gargan, President, Bay Shore Board of Education
