The Board of Education recognizes that students with disabilities
may be denied the opportunity to benefit from their educational program.

The Board of Education, in order to ensure that all students have an equal
opportunity to benefit from their educational program, has adopted the following
policy:

1. The Board of Education shall ensure that all students with disabilities
have an equal opportunity to benefit from their educational program.

2. The Board of Education shall ensure that all students with disabilities
have an equal opportunity to benefit from their educational program.

3. The Board of Education shall ensure that all students with disabilities
have an equal opportunity to benefit from their educational program.

4. The Board of Education shall ensure that all students with disabilities
have an equal opportunity to benefit from their educational program.

Upon request, the parent will be notified of the location of the child's
education. The parent will be provided a copy of this policy.
