Student -Athlete Handbook

For Athletes, Parents and Spectators

Dear Parents and Student-Athletes,

Welcome to the Bay Shore School District Interscholastic Athletic Program.

Parents and student-athletes are encouraged to carefully read the entire Athletic Handbook. This handbook contains information that will be important throughout each sport season. The handbook is progressive in nature, giving parents and athletes the philosophy and expectations of our interscholastic program, beginning with the middle school program and culminating with the varsity level experience.

The handbook gives parents and athletes a complete listing of all programs offered at each level and the season of placement for each sport as it pertains to the middle school, with four sport seasons and the high school, which conducts three sport seasons.

For your convenience, please log on to the Section XI Website, currently available to the public at www.sectionxi.org. This website allows the athletic community access to high school and middle school (modified) schedules, game times, and directions to contest sites. In addition, the website posts high school varsity league and division standings, tournament brackets, seeding information and other pertinent athletic information. It is an excellent resource for all those involved in interscholastic athletics.

The website for the Physical Education, Health and Athletic Department is another source of information for you. The site location is: www.bayshoreschools.org/athletics
