

STUDENT MEAL ACCOUNT POLICY

Purpose:

The purpose of this policy is to:

- 1. Provide a safe and nutritious meal for all students.
- 2. Provide a meal for students who are unable to pay for their meals.
- 3. Provide a meal for students who are unable to pay for their meals.
- 4. Provide a meal for students who are unable to pay for their meals.

Food Service Department

The Food Service Department is responsible for providing a safe and nutritious meal for all students. The department will ensure that all meals are prepared in a safe and sanitary manner and that all students have access to a meal. The department will also ensure that all meals are served in a timely manner and that all students are able to pay for their meals.

The Food Service Department will provide a meal for all students who are unable to pay for their meals. This includes students who are on free or reduced lunch, students who are unable to pay for their meals, and students who are unable to pay for their meals. The department will ensure that all meals are served in a timely manner and that all students are able to pay for their meals.

The Food Service Department will provide a meal for all students who are unable to pay for their meals. This includes students who are on free or reduced lunch, students who are unable to pay for their meals, and students who are unable to pay for their meals. The department will ensure that all meals are served in a timely manner and that all students are able to pay for their meals.

a free breakfast and lunch meat of their choice each day. A la carte items must be paid/prepaid.

The Food Service Department will provide a meal for all students who are unable to pay for their meals. The department will ensure that all meals are served in a timely manner and that all students are able to pay for their meals.

To comply with State guidelines and maintain a system for accounting for charged meals, regarding both full and reduced-price meals, the District shall:

1. allow only regular reimbursable meals, of the student's choice from that day's offerings to be charged, excluding extras, à la carte items, side dishes, additional

meals, snacks, and competitive foods, and

2. use a computer-generated point-of-sale system which identifies and records all
